PGAV Architects executes exceptional work across multiple markets including education, science & technology, civic, cultural, academic library, and workplace.

Project Manager

PGAV Architects is seeking a full-time Project Manager for our Kansas City office. All levels of experience are welcome to apply. Ideal candidates bring 8-15 years of experience with multi-faceted skill sets, positive energy, and an interest in producing quality work that our clients and colleagues can be proud of.

The desire to serve our clients and elevate their projects through your direct involvement is the collaborative approach we are looking for. We seek an architect who will provide thoughtful input on design while representing the firm to the high standards that set PGAV apart.

At PGAV you will:

- lead the design team as the primary point of contact for clients, consultants, and colleagues with the charge of guiding the client and the team to success!
- manage all project parameters, including identifying and tracking clients' vision and ensuring goals for financial, timeline, and quality metrics are met
- develop strong relationships within the firm, with our clients, with our consultants, and in our communities
- assist with marketing efforts to help the firm to win new work
- develop and review contracts, fee proposals and help pave the way for PGAV project teams to achieve financial success and mitigate risk
- mentor younger staff on their way to greater responsibility and professional goals
- inspire your clients and colleagues to achieve great things and be stronger together

PGAV offers competitive salaries with an industry leading and progressive benefits package in a positive and flexible working environment. Please connect with us for more information on who we are and the exciting opportunities we offer. <https://pgavarchitects.com>
